Coalition of Kansas

Kansas homeschool families are invited to join together in Topeka for the annual Homeschool Capitol Day!

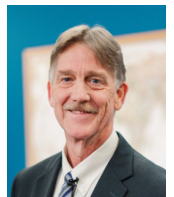

Highlights of your Capitol Day field trip include:

- Seeing our beautiful state capitol building, the legislative chambers, Governor's office, and the halls where our state laws are created, debated, codified, and killed.
- Meeting your state legislators to make personal connections to help keep homeschools thriving in Kansas. (Make appointments in advance)
- Observing the legislature in action to experience how Kansas government operates.
- Enjoying the wit and wisdom of special guest speaker Andrew Pudewa, Founder & Director of the Institute for Excellence in Writing
- Encouraging fellowship with other homeschool families from across Kansas as we experience state government in action!

Please contact Jennifer Laporte, CHECK President at office@kansashomeschool.org with questions.
